SIZZLE....

A photograph of a human skull, likely from a historical or archaeological site, resting on a sandy surface. The skull is shown in a three-quarter view, with the jaw slightly open, revealing the teeth. A white rectangular text box with a black border is positioned in the upper left area of the skull. A speech bubble with a black outline is located near the lower right of the skull. The background is a plain, light-colored surface.

GRIM WAS PUT TO REST AND DEATH WAS  
VICTORIOUS!

I HAVE BEEN  
DEFEATED.....

BACK INSIDE OF THE  
CATHEDRAL

NO MORE EVIL IN  
THE WORLD, AND  
LIFE HAD SUCCEEDED!
